CONNOR'S STORY

“Scouting has made a difference in my life. In particular my camp experience. Going to camp helped me build me confidence to always believe in myself. I matured during camp days. After attending camp I knew I could take care of myself even when my parents were not right there with me. It gave me leadership skills that turned into the courage I needed to overcome the challenges of my life. I learned that to have a friend I needed to be a friend first. I want to thank all the people that I know and the ones I don’t know who help provide me the opportunity to experience Scouting. Having these real life camp adventures and learning the life skills truly has transformed me into the successful husband, Dad business owner and friend that I am today. Thank you so very much. I appreciate you all.”

Confidence, leadership skills, team building, physical fitness, first aid, educational support, assistance in reading, learning the importance of community service and giving back. These are the life skills that will be taught and demonstrated while participating in camp adventures. All parents value these skills for their children. Our communities need our next generation to have the solid foundation that Scouting delivers every day to our Scouting community.

Because of people like you and your warm hearts and generous souls, the Scouting program is able to reach Scouts at every age of development changing the trajectory of their lives. Connor’s gripping real life story tells it all. Please help us pave the way for all our Scouts to live loving productive lives in our communities.

You can help Scouts like Connor believe they can and will achieve their dream. Just imagine... young Scouts having the chance to experience sitting around a campfire, roasting s’mores and telling stories about their day of rock climbing, swimming in the lake or taking a simple hiking trip. Are you smiling yet? Your gift today will guarantee that a Scout in need will get to experience what Scouting has to offer.

Please find it in your heart to make a donation of <Amt1>, <Amt2>, <Amt3>, or an amount that is more meaningful to you.

On behalf of the youth you are helping....

Thank you

John L. Smith
